

# “Dave’s Ditty”

**At a local community centre, they held weekly husbands’ marriage seminars.**

**At the session last week, the group leader asked Luigi, who was new to the group and said he was approaching his 50th wedding anniversary, so to take a few minutes and share some insight into how he managed to stay married to the same woman all these years.**

**Luigi replied to the assembled husbands, “Wella, I’ve tried to treat her real nice, spenda da money on her, but besta of all is, I tooka her to Italia for our 25th anniversary!”**

**The group leader responded, “Luigi, wow, you are an amazing inspiration to all the husbands here! Please tell us what you are planning for your wife for your upcoming 50th anniversary?”**

**Luigi proudly replied, “I gonna go back an picka her up.”**
